

Benjamin Sarti

benjamin.sarti@gmail.com • Skype: benjaminsarti • +91 98181-87458 • Nationality: French
Address: 88 Kailash Hills (2d floor), East of Kailash - 110065 New Delhi, India

Objective

French Electrical and General Engineer **holding a Working Holiday Visa for New Zealand** and looking for a full-time job in software development.

Experience

Famoco

NEW DELHI, INDIA

IT Support Engineer

Jun. 2016 – Present

- Helping our clients to integrate their Android applications on **NFC** readers;
- Developed Android applications to interact with Famoco devices (NFC, connectivity, notifications, ...) for technical support and presales.

CPQD

CAMPINAS, BRAZIL

R&D Engineer

Aug. 2014 – May 2016

- **Optical amplifiers:** Simulations with MATLAB and OptiSystem to optimize EDF and Raman amplifiers performance. Laboratory automation with LabVIEW and Matlab for optical characterizations. Integration tests (hardware + firmware) using command-line user interfaces.
- **Integrated Tunable Laser Assembly:** built a laboratory setup for automated optical characterization using Python and C.
- **Packaging for integrated photonics:** automated step motors using Python for free space alignment of polarization multiplexers.

Intern

Jul. 2013 – Aug. 2014

Optical networks: implemented dynamic channels equalization algorithms in C++ on CPqD's testbed. Controlled a cascade of optical nodes using multithreading.

Institut Fresnel

MARSEILLE, FRANCE

Intern

Jun. 2012 – Jul. 2012

Optimized the optical filtering of plasmonic structures using MATLAB.

Education

Universidade Estadual de Campinas

CAMPINAS, BRAZIL

Master of Electrical Engineering

Jul. 2014 – Dec. 2015

Nonlinear programming, Information theory, Optical links and Probability theory.
Dissertation title: "Field Calibration Procedure for Enhanced Automatic Gain Control of Distributed Counter-Propagating Raman Amplifiers."

École Centrale Marseille

MARSEILLE, FRANCE

Engineer's Degree (French *Diplôme d'Ingénieur*)

Sept. 2010 – Nov. 2014

Multidisciplinary formation in sciences, engineering and social sciences.

Universidade Estadual de Campinas

CAMPINAS, BRAZIL

Bachelor of Electrical Engineering

Jul. 2012 – Jul. 2014

Telecommunications, Electronics, Control Engineering and Power Engineering.

Embedded systems: Programmed micro-controllers using Process Expert and Code Warrior. Built an digital-to-analog converter using a R-2R ladder and a Raspberry Pi.

Benjamin Sarti

Skills

Programming Languages: Python, MATLAB, LabVIEW, Java, XML, C and C++.

Operating Systems: Linux, Windows and Android.

Others: OptiSystem, L^AT_EX, Git, Jira, TestLink, Zoho, MySQL, Confluence....

Natural languages: Fluent in English, French and Portuguese. Intermediate in Spanish.

Other competences and interests

Tennis competitions: best [French ranking](#): 15.

Music: 10 years of musical theory formation at [Amnéville City music academy](#) with validation of the 3 first cycles. Has been playing the trumpet for 7 years and was a member of several orchestras.

Others: fitness training, Japanese animations and board games.
